

NOW SELLING FUEL

The Cleveland Jet Center is now selling fuel. We are supplied by AVFUEL and offer unmatched pricing and personal service. The Cleveland Jet Center is ready and willing to work with everyone from pistons to large cabin aircraft. Our partnership with AVFUEL goes beyond competitive pricing. It begins and ends with highly trained Aircraft Support Technicians who have decades of experience with safety and fuel quality. While your aircraft is on the ground let us be there for you so you can focus on the sky. It is our pleasure to meet and work with everyone who stops in or is based at **Cuyahoga County Airport [CGF]**. Welcome to the future of Fixed Based Operators.
