

FREEDOM. LUXURY. SECURITY. ULTIMATE CONVENIENCE.

Introducing The Cleveland Jet Center

Opening fall 2008, **The Cleveland Jet Center** is creating a new choice in private aviation and a seamless travel experience from the ground up.

The Cleveland Jet Center at Cuyahoga County Airport [CGF] is setting a new benchmark in competitive fuel price, aircraft support, attention to detail and hospitality in Northeast Ohio. We are committed to an unparalleled level of service, safety and satisfaction to every individual customer. The objective is clear, to redefine customer service while exceeding our own standards of quality care.
