

FREEDOM. LUXURY. SECURITY. ULTIMATE CONVENIENCE.

## FUELING BEGINS JANUARY 5, 2009

The wait is over. **Monday January 5, 2009** The Cleveland Jet Center will begin fueling and FBO operations at Cuyahoga County Airport [CGF]. The Cleveland Jet Center has teamed with AVFUEL to create a new fueling choice in Northeastern Ohio. Pilots will benefit from participating in the AVTRIP program by gaining points towards savings bonds with every gallon that is purchased. A commitment to competitive fuel pricing and an experienced staff will be always be of high importance at The Cleveland Jet Center.
